## EARLY ENTRANCE KINDERGARTEN TESTING

Children must be the age of five (5) by August 31 of any given year to enroll in kindergarten. If your child turns five (5) between September 1 and November 1 of any given year, South Kitsap School District offers Early Entrance Kindergarten testing. Testing for kindergarten is done once a year in April. Participants will be tested on their academic and social readiness skills. There is a non-refundable fee of one hundred dollars (\$100) to be tested. If your child meets the criteria ([www.skschools.org](http://www.skschools.org) – Preparing for Kindergarten) and you are interested in having your child tested, please complete the application and submit your request to; South Kitsap School District, School & Family Support, 2689 SE Hoover Ave, Port Orchard, WA 98366 or email to; [stewart@skschools.org](mailto:stewart@skschools.org). Once your application is received, we will contact you by phone to choose your appointment date and time and to make payment arraignments.
