

¡Hola!

Dear Parents/Guardians,

I would like to extend the invitation for the Spanish Immersion “**Story time**” **summer program** at the Port Orchard Library every **Monday** from **10- 11am**. I will have books for 1st-4th graders and hands on arts and crafts activities from Spanish speaking countries. We will start the **Monday, July 2nd** and it will **end** on **August 20th** followed by a family Fiesta at the Marina park. Parents will bring a dish that represents their heritage to share with all; I will bring a Piñata full with candy. **¡Sí, sí, sí.**

The purpose of this summer program is to reach out to the children from our community who are interested in learning Spanish, or trying to get into the Spanish Immersion program in the near future.

Who is the teacher? Ruth Carlson, Spanish native speaker with 17 years of experience in teaching Spanish; with a teaching certificate k-12 in Spanish, Master of Science in Education, and National Board Certificated Teacher. *“My passion is to teach my language and culture”*

I look forward getting to know you and working with you.

Where? at our local **Spanish is FUN! What**

time?

When?
