COVID ATTESTATION & SCREENING COMMITMENT

This form must be completed prior to the first day of school. Students in middle and high school may complete the form themselves or guardians may complete it for all grade levels.

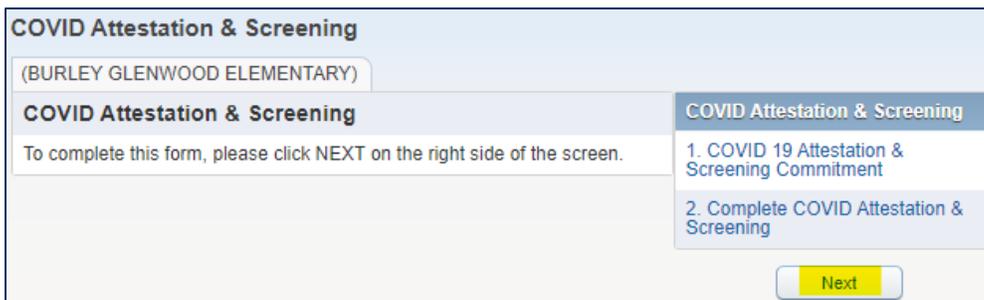

Tip #1: Only primary families are able to complete this form. If you are listed in your student's second household, you will have read-only access.

Tip #2: This form is not available through the Skyward mobile app. If you are using a mobile device for Family Access, you must login to family.southkitsap.wa-k12 using your web browser.

Click **Online Forms**.

Then, click **Fill Out Form** next to your student's name.

COVID-19 Attestation and Commitment to Conduct Daily Health Screenings 2021-2022

To maintain the health, safety and well-being of our students, staff, and community during the 2021-2022 school year, the South Kitsap School District requires this COVID-19 Attestation and Agreement to be completed for all students before attendance on campus or at school-based activities.

As the parent/guardian to the student listed on this form, I attest and agree or will ensure a caregiver conducts, the following health screening for my child to them arriving at school, riding a school bus, or engaging in any school and South Kitsap School District property.

By sending your student to school, you attest that the answer to each question below is NO or you can answer YES to any of the questions below, you agree to keep your student at home from school and to contact their school to excuse the absence, report why the child did not pass the health screening and determine when they may return.

1. Has your student experienced any of the following symptoms in the past 24 hours?	
Fever (100.4 or higher) or chills	Recent loss of taste or smell
Cough	Sore throat
Fatigue	Congestion/runny nose
Muscle or body aches	Nausea or vomiting
Headache	Diarrhea (2 or more episodes in 24 hours)
Shortness of breath/difficulty breathing	

Not related to a medically documented chronic illness (i.e., asthma, migraine)

Note: If your student is fully vaccinated* and you answered yes to question 4, they may come to school if they do not have symptoms listed above but will be required to receive a COVID-19 test 3-5 days after exposure.

* To be considered fully vaccinated, it must be at least 2 weeks since receiving the second dose in a two-dose series or 2 weeks since receiving a single dose vaccine.

I understand that my student cannot attend school or school related activities when experiencing COVID-19 symptoms. If I send my student to school with any COVID-19 symptoms or they develop symptoms at school, they will immediately be isolated, I will be notified, and my student will need to be picked up immediately. I will be required to work with the school to determine when my child can return. I understand the COVID-19 guidance is subject to change and may be updated as new information is received by South Kitsap School District.

Student: Ginny Weasley

Parent/Guardian Signature _____ Date _____

Complete Step 1 and move to Step 2

After you've read the commitment form, sign the document by typing your name and date in the fields provided.

Then, click **Complete Step 1 and move to Step 2**.
