Re: **South Kitsap 2022-2023 Charitable Giving Campaign**

All South Kitsap School District staff members have the opportunity to contribute to designated non-profit organizations through monthly payroll deductions. This program is completely voluntary. Every little bit helps and together we can make a huge difference in our community and beyond.

Sign up for the South Kitsap School District Charitable Giving Campaign will run **September 26 – November 10, 2022.**

Please return these forms to Amy Miller at the District Office by November 10, 2022 for a payroll deduction beginning December 31, 2022. The deduction will remain in effect until November 30, 2023.

Because South Kitsap School Supporters (SKSS) is a political action organization, a second form is required. If you sign up for South Kitsap School Supporters, this deduction will remain effective beyond November 30, 2023, until you revoke the payroll deduction in writing.

If you have any questions, please contact Lalaina Olson in payroll at extension 7025.
